Dear Class of 2018,

Congratulations! Graduation is a symbolic moment in your life. For the past thirteen years you have been engaged in a process of learning how to learn. While graduation signifies a completion of what has become your "daily routine", it does not signify the end of your learning. The world offers you the opportunity to find your passion and follow your dreams. You, and only you now define your learning path, and the career that will provide the opportunities for you to realize your greatest dreams.
Dream big, work hard, follow your passion and you will find success. You will forever represent East Stroudsburg Area School District, your family, and yourself…hold yourself to the highest standard and respect the stories and differences of everyone you meet!

On behalf of the East Stroudsburg Area School District, I congratulate each of you and wish you great success.

Dr. William R. Riker
Superintendent

Dear Class of 2018:

June 13, 2018, will forever be a special day in your lives. Graduation from high school is something that can never be taken away from you, and for that, you should be proud of yourselves. The time commitment from Kindergarten through this moment, the struggles, the successes, the experiences, and the lessons learned are all part of your journey for your personal story throughout life. As you transition into your next phase in life, remember that you will not also be able to control every situation, but you can control your decisions and how you respond, which will always impact the outcomes. My goal for you is that your decisions and responses will allow you to make this world a better place. As many of you remember me sharing throughout this school year, remember that you have three things to do each and every day: 1) Wake Up and Be Awesome, 2) Be Kind to Others, and 3) Do Something Nice for Someone Else. You will be fulfilled, and you will be happy - I promise. On behalf of our faculty and staff at East Stroudsburg High School North, know that we are all proud of you, and congratulations on this monumental accomplishment. Enjoy and be safe!

Benjamin J. Brenneman
Principal

Alma Mater

Deep within the forest green
Nature's wonders hide.

Rays of sunlight can be seen
Reflecting our school pride.

Memories we hold fondly
Of years, here and gone.

Our future's bright horizon,
Our success is at its dawn.

Visions deep within our hearts
Make our spirits soar.

Oh, with you our honor starts
East Stroudsburg Area North.

Grand Marshal ..... Casandra Dietz

The Grand Marshals lead the academic procession that includes Candidates for Diplomas, Faculty Members Platform Participants, the Superintendent of Schools, and the President of the School Board.

Honor Medallions

At today's commencement exercises, medallions affixed to ribbons distinguish the Valedictorian and Salutatorian graduates.

National Honor Society

The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools. To be eligible for membership, students must have a cumulative grade point average of at least 3.5. Additionally, potential members must meet high standards of leadership, service, and character. Leadership is based on the student's participation in two or more community or school activities, or election to an office. To meet the service requirement, the student must have been active in three or more service projects in the school and community. Character is measured in terms of integrity, behavior, ethics, and cooperation with students and faculty. Membership is an honor bestowed upon a student, and once selected, members have the responsibility to uphold the standards of the organization. At today's commencement exercises, gold cords distinguish the National Honor Society members.
